

# LITTLE BROTHER

## VINTAGE BLUES & ACOUSTIC AMERICANA

We're proud to bring you the best live music Georgia has to offer with Doug "Little Brother" Jones, a true songster in the oldest traditions performing folk, blues, old time novelty tunes and ballads, instrumentals blended with skillfully crafted original compositions. His music makes you feel good while taking you back in time with the sound of vintage instruments and smooth rich vocals at volumes that are realistic and do not require ear plugs.

You can carry on a conversation and still enjoy the music. His show features a number of top performers and recording artists from the region including harmonica wizard Vern Edwards and award winning "Son of The Ga Blues" Mr. Tony Bryant. No two performances are alike whether solo, duo or the full string band. This is one show you don't want to miss.

*“ Sensitive moving lyrics, excellent vocals, ”  
all original guitar work, a must see.*
